## MIGRANTS' INTEGRATION INTO THE LABOUR MARKET AND ECOLOGICAL TRANSITION

15 February 2022 - 14 February 2024

### What is our focus?

*Our consortium aims to support and develop the competencies of trainers, educators, and organizations by providing work and study training courses related to ecological transition.*

### What are our objectives?

-  Integrate migrants and refugees more efficiently into the labour market
-  Identify and make use of migrants vocational skills, in particular those that are needed in green enterprises
-  Connect green enterprises and migrants
-  Involve green enterprises and migrants into the project activities
-  Raise awareness on migrants' integration issues among enterprises and authorities

### What are the results to be developed by the partnership?

#### The Handbook

A (digital and printed) resource that will contain pedagogical sessions targeting organizations and trainers involved in offering migrants and refugees support, green/ ecological enterprises, and migrants in order to develop their competencies and raise awareness about the issue of migrants' integration on the labor market, and use the methodology in this regard.

#### The Toolkit

An interactive and engaging online collection of educational resources, dedicated to trainers, educators, and organisations in order to identify and evaluate migrants' and refugees' vocational skills, to improve their language skills, contribute to their integration process by offering orientation & guidance, and build career paths fitting their competencies.

### Workshops

**During two years, we will conduct several workshops in the following fields:**

- Agriculture, in France
- Materials Recycling, in Greece
- Machine Yelding and Plastic, in Spain
- Textiles, in Italy
- Furniture reconditioning, in Romania

Co-funded by  
the European Union
